**360Ed Wins State & Local Awards for Entrepreneurship and Innovation**

**Orlando, Florida**, October 2, 2009 – 360Ed, Inc. has been awarded the 2009 Governor’s Business Diversification Award in Entrepreneurship for its work in the development of *Conspiracy Code* and *Burn Center*. Governor Charlie Crist presented the company the award during its annual event sponsored by Enterprise Florida. “360Ed was chosen to receive the award based on its demonstrated ingenuity, civic leadership and significant contribution to diversifying and strengthening Florida’s economy” said Governor Crist. The company was also awarded the Metro Orlando Economic Development Commission’s 2009 William C. Schwartz Industry Innovation Award recognizing its exceptional contribution toward statewide economic diversification through job creation and distinctive community involvement and investment.

These are two of the most recognized business awards in the State of Florida. “We are extremely honored to be recognized for the accomplishments in our short history as a company” says Ben Noel, CEO and President of 360Ed, Inc. “Florida is a growth state with a lot of young talent and we look forward to continuing our success through great people and products.” 360Ed along with Electronic Arts, Lockheed Martin and n-Space, Inc. have all benefitted from the talented students who have graduated from the master’s program at the University of Central Florida’s Florida Interactive Entertainment Academy at the Center for Emerging Media in downtown Orlando, Florida.
